## Technical Information

All product dimensions are nominal.

## Notes

Install this product according to the installation guide.

**IMPORTANT!** This product is for new construction or complete remodel (down to the stud framing) of tiled showers only. Do not install this product to plastic walls or any other material besides tile.

Shimming may be required to create an even transition from the wall material to the unit.

Placement of unit must be determined in advance. Installation requires double studs at the desired location.

Product protrudes into the pocket stud. The intended pocket stud should be free of plumbing, wiring, or other obstructions.
