# Verdera® Verdera Lighted Mirror K-99571-TL

# **Required Electrical Service**

### **Technical Information**

All product dimensions are nominal. Mirror type: Wall mount

#### Notes

Install this product according to the installation instructions.

Select the type of fastener based on the wall material. A minimum 20 lb (9.07 kg) load bearing fastener is recommended.

Install the fastener to a stud to avoid possible property and product damage.

A dimmer switch is required. This product is compatible with most residential dimmer switches intended for incandescent and dimmable LED bulbs.
