

# Delta® / Moen® Kits

## Hidden Faucet Attachments

### 13/16"-27 & M21.5x1.5

flow, stop and go®

#### Features and Benefits

- ▶ Exclusive to fit select Delta® and Moen® Caché® faucets.
- ▶ The Jr. sized insert fits into the Delta® and Moen® Caché® sleeves for a wide variety of flow rates and stream patterns.
- ▶ Threads directly into the faucet spout. Virtually invisible once installed.
- ▶ Vandal resistant by design (install and remove with a special key).
