TRADITIONAL SHELF WITH TOWEL BAR

INSTALLATION INSTRUCTIONS

1. Trace screw hole positions for mounting brackets onto wall at desired mounting location.
2. Drill 3/16 (5mm) holes in drywall, 1/4 (6mm) in tile at screw hole marks and insert anchors.
3. Position mounting bracket over anchors and install screws. Place rosette over each mounting bracket, insert bar into posts, then slide post onto each bracket.
4. Tighten the set screw into posts with hex key.
5. Place a vinyl washer on each post.
6. Set glass in position with a second vinyl washer over each hole.
7. Secure by tightening screw with penny.

CARE OF POLISHED BRASS

The Polished Brass finish is protected with a clear, durable, baked-on enamel. To clean, use warm soapy water, and dry with a soft cloth. Occasional paste waxing is also recommended. NEVER use brass polish, abrasives or abrasive wax.
