MATERIAL: Wrought Iron

FINISH: Mayfair

FREIGHT INFORMATION: Motor Freight (MF)

ITEM WT: 12

PKG WT: 30

FEATURES:

The Fitzjames Lantern is a perfect example of how a material known for its strength in construction, wrought iron, can exude the feeling of grace when handled with artistry. Hammered metal treated to a hand-applied Mayfair finish calls attention to the importance and beauty of this fundamental material. The character inherent in the shape of this four-light fixture is due to its time-honored lines. We also offer this lantern in a Mayfair finish, and we have Fitzjames chandeliers and pendants in our product line.
