

5 Maintenance (cont'd)

5.2 Annual Maintenance

Perform steps 1 to 4 of the quarterly maintenance, then continue with the following:

5. Using a vacuum cleaner and a soft brush attachment, remove the dust on the recovery core, the sensor and damper (damper must open freely).

CAUTION

Do not soak the recovery core in water! The core can easily be damaged especially if it is soaked. The sensor can be damaged by detergent. Only use a dry cloth to clean the sensor.

6. Slide the cleaned core with its cleaned filters in the unit. Refer to filter location indicators embossed inside the unit to position adequately the core. Use the core bracket and wing nut to lock the core in place.
7. Close the door and restore power.
8. Clean the exterior hoods.

6 Warranty

This Broan unit is a high quality product, built and packaged with care. Broan warrants to the original purchaser of its product, that such products will be free from defects for the period stated below, from date of original purchase.

For all Broan units, the warranty covers parts only against any operational defect. This is a 5-year warranty.

Subject to perform the core maintenance according to user guide recommendations,
the energy recovery core (ERV) has a 5-year warranty.

If any defect should occur, we urge you to read the user guide carefully. If the problem persists, observe the following rules:

RULES TO FOLLOW

If the unit is defective, contact your ventilation contractor (see address on cover page).

The contractor will determine with you the reason for the defect, and if needed, do the replacement or repair.

If ever it is impossible to reach your ventilation contractor, call 1-877-862-7626 (in North America);
the personnel will be pleased to give you the phone number of a distributor or a service center near you.

REPLACEMENT PARTS AND REPAIR

In order to ensure your ventilation unit remains in good working condition, you must use Broan genuine replacement parts only.

Broan genuine replacement parts are specially designed for each unit and are manufactured to comply with all the applicable certification standards and maintain a high standard of safety. Any third party replacement part used may cause serious damage and drastically reduce the performance level of your unit, which will result in premature failing. Broan also recommends to contact a Broan certified service depot for all replacement parts and repair.

BILL OF PURCHASE

No replacement or repair covered by the warranty will be carried out unless the unit is accompanied
by a copy of the original bill of purchase. Please retain your original.

MISCELLANEOUS COSTS

In each case, the labor costs for the removal of a defective part and/or installation of a compliant part will not be covered by Broan.
