## Counter-Top MWO & Trim Kit

### TrueCookPlus™

TrueCookPlus™ is patented technology that does all the calculations for you to help ensure the food cooks outstandingly everytime. True Cook numbers can be found on leading food distributor's packaging.

### Sensor Cooking

Sensor cooking technology senses humidity levels within the oven and automatically adjusts cooking time and performance to provide superior heating performance.

### EasyClean™ Interior

With the new EasyClean™ interior, you can have quick and high performance cleaning inside and out without using chemicals.

### Style and Design

This unit's beautiful stainless finish complements any kitchen décor, and an optional trim-kit is available for a premium built-in look.
