2. PREVENTATIVE MAINTENANCE (PM)

Preventative Maintenance on equipment and controls is offered as follows:

- a. Written Quote for Service Work. Trane will provide a written quote for the PM after a site visit has been completed. The quote will include labor and parts needed to complete the work. There are no additional travel and environmental charges for PM Agreements.
- b. Full Service Agreements. Trane offers full service agreements on most HVAC equipment and controls. These contracts are designed to cover the cost of parts, labor, and travel for most normal repairs to any piece of equipment. Equipment must be inspected for proper operation and any repairs must be completed before such equipment may be placed under a Full Service Agreement. There are no additional travel and environmental charges for Full Service Agreements.

3. PARTS DISCOUNTING

A minimum 42% discount off book price will be given for State of Ohio members of the Ohio STS.

This includes ALL parts handled by the Trane parts center.

4. Payment discount: 2% 15 day, net 30.
