### Additional Product Information

#### Obtaining Longitude/Latitude Coordinates

Find your longitude and latitude coordinates to enable the VPT24 to provide accurate local sun up/sun down times by clicking the link below and entering your home address. Use the first 2 digits (degrees) of the coordinates when programming the sun up/sun down feature. You should ignore the (-) sign if one is shown in your coordinate results.

Leviton offers many products that will help lower electrical costs and add convenience to everyday living. By simply replacing standard switches with timer switches will reduces energy consumption and extends bulb life. Better than ever - Leviton Decora® brand Timer Switches offer advanced features, superior accuracy and contemporary aesthetics. Our robust selection provides convenient timed control of lighting and motor loads in homes, offices, schools, hotel rooms and other small commercial applications. Homeowners can set lights to turn on and off for a lived-in look while they are away, or automate control of heat lamps, pool pumps or bathroom fans. Our versatile selection includes fully programmable and preset timers in popular styles and colors. All are backed by Leviton's long history of quality and reliability.
