5	149-050		1	4	Fab
6	149-060		1	7	Fab

WARNING: Frequent or severe cyclical pressure surges (WATER HAMMER) can destroy PVC fittings. Where such conditions may exist, HARCO DEEP BELL DUCTILE IRON FITTINGS for IPS size PVC pipe should be considered. HARCO DEEP BELL DUCTILE IRON FITTINGS are available in sizes 1½" through 12".

Fab Style: These fittings use Sch 40 PVC fittings. Sch 40 PVC fittings do not have a long term pressure rating. See section 6.3.2 of ASTM D2466. Use of these fittings in pressure systems is at user's risk.

The use of anything but properly designed and installed thrust blocks will reduce the life of plastic fittings. Thrust blocks must be of poured concrete only and sized for the soil conditions. Joint restraint products are available.

PLUG (Spigot)
