

RUMBLE RACK EXTREME

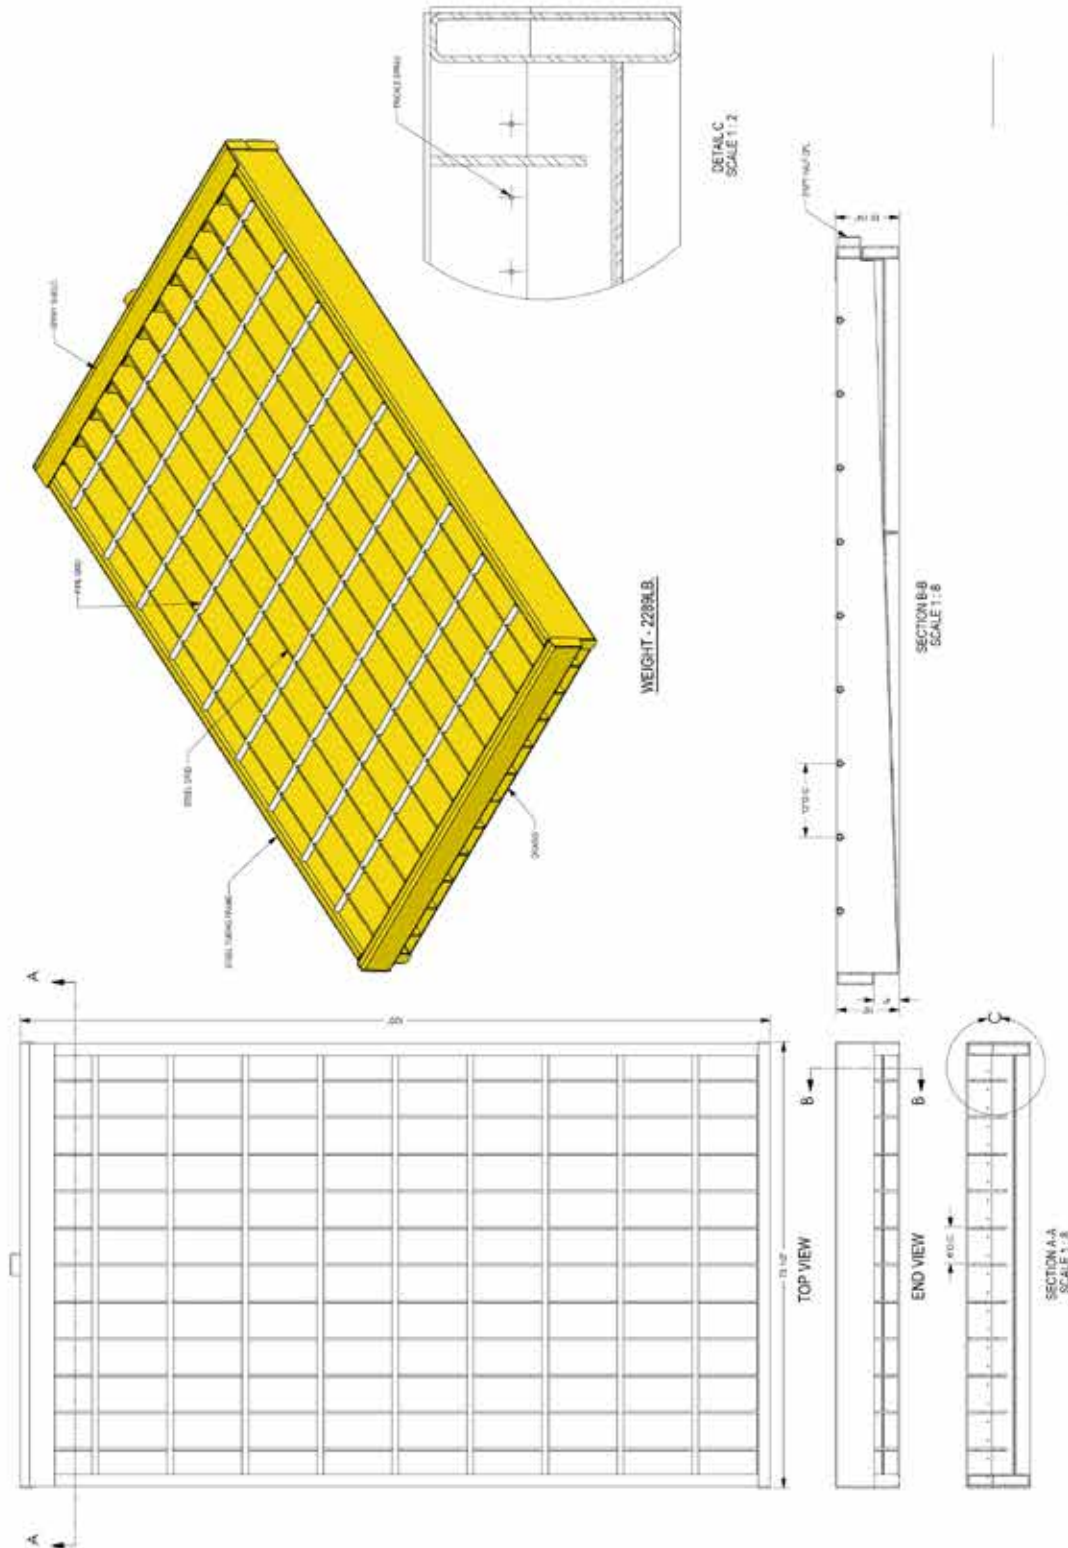

Heavy Duty Construction Entrance and Wheel Wash

- Made with heavy duty steel - Built to last.
- Can be used from jobsite to jobsite.
- Angled Edges - Improves cleaning by agitating tires and flexing treads to dislodge material.
- Load rating of 40,000lbs. per axle - Big construction traffic welcome!
- Low maintenance - Reduced clean up costs.
- 10' x 8' or 10' x 6" long - Can be installed side by side and end to end.
- Minimum of 4 tire revolutions required in order to greatly reduce sediment from leaving jobsite.
- Tapered floor to collect sediment and debris.
- Open side to flush out when needed.
- 2" hose attachment for easy hook up.
