

Introducing GP PRO's ActiveAire® Automated In-Stall Fresher Dispenser

New, you can get freshness in the stall TWO ways: with a stand-alone dispenser on the wall or with a dispenser on top of the Compact side-by-side Toilet Paper Dispenser. With the ActiveAire® Automated In-Stall Fresher Dispenser, users can control the fragrance in a conveniently accessible area.

- SOFTLY DIFFUSES SCENT**
Fragrance is gently released in multiple directions in a single stream.
- MATCHING SCENTS**
The fragrance is matched to the dispenser's color with a variety of scents, with no messy liquids or trays.
- SCENT RELEASE OPTIONS**
As a stand-alone product in the restroom, the dispenser can be set to release fragrance on a timer, or with the wave of a hand only.
- VIRTUALLY SILENT**
Whisper-quiet dispenser means a pleasant atmosphere, loud and clear.
- EASY TO MAINTAIN**
The dispenser is designed for easy maintenance with a variety of scents, with no messy liquids or trays.
- LONG-LASTING REFILLS**
The dispenser is designed for long-lasting refills, with no messy liquids or trays.
- PLACEMENT FLEXIBILITY**
When placed in close to the toilet as possible, odor is more effectively neutralized.
- CUSTOMIZABLE REFILLS**
The dispenser is designed for custom refills, with no messy liquids or trays.
