

28PVCS Standard Cone with Arrow Sign

## Cone Accessories

cone accessories

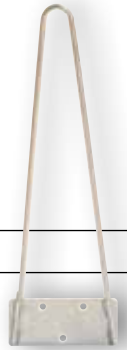

28" Reflective Cone with Flag Adapter and Flag

### Cone Holders

- Front bumper-mount cone holder will accommodate 28" and 36" traffic cones for easy storage
- Made from A36 steel with an 11-gauge plate
- Zinc Plated

Product No.	Model No.	Description
272449	CH-1	Bumper-Mount Cone Holder

### Cone Stabilizer

Product No.	Model No.	Description
271501	CW-1	Cone Stabilizer

- 7 lbs., fits 28" and 36" cones
- Added weight for high speed or windy areas

### Arrow Sign

Slots and bolt holes allow for fitting into the top of traffic cones or bolting onto channelizers or other devices to provide a left or right directional arrow.

Product No.	Model No.	Description
274607	RN100	Directional Arrow Sign (non-reflective)
274604	RN100R	Directional Arrow Sign (reflective)

### Flag Adapter

- Can be in-molded in 28PVCS, 28PVCH, 28PVCX, 36PVCS, 36PVCH and all 18" traffic cones
- Sizes available are 5/8" and 3/4"
- When ordering, specify in-molded flag adapter (flag sold separately)
