Visibility e-Band™ Vial High-Contrast Sunrunds Dual-Pitch™ Vial	Design Features Top Read Window Top V-Groove Tapered Ends Surface Grip Pipe & Ruler Groove	Magnets (3) Rare Earth Magnets	

About Empire Level

Since 1919, Empire level has earned the trust of the construction trades by delivering a broad range of innovative solutions focused on layout applications with industry firsts such as the Monovial, the Torpedo Level, the Magnetic Level, and most recently eBand™ vials. Empire continues its tradition of developing productivity solutions by living and breathing the user experience. Empire establishes relationships throughout the trades and uses the experiences in product design, creating a mutual partnership with a foundation that is BUILT ON TRUST. Empire's advanced platform of True Blue products represents the best Empire has to offer in performance, durability and technology.

Empire employs over 200 people at its facilities in Mukwonago, Wisconsin where products are proudly MADE IN THE USA. Empire sells its products in over 50 countries worldwide. More information about Empire and its products can be found at:
