

aquatherm REDUCING COUPLING

Socket-fused on one side, butt-fused on the other. These fittings can be used with either the **aquatherm green pipe®** or **aquatherm blue pipe®** systems, but are all molded from the green **fusiole®** material. The SDR of the fittings must match the SDR of the pipe. The length of some fittings may not accommodate all butt-fusion equipment.

NOTE: Verify the equipment to be used is compatible with the fittings when ordering.
