Material Number NL95H0A, T-585-70-66 - Two-Piece Bronze Ball Valve - Stainless Steel Trim, Threaded End Connections

The NIBCO® bronze ball valve ensures ease of operation with quarter-turn (90 degrees) open to close. The full port valve is ideal for commercial and light industrial process applications that may include HVAC, hot and cold domestic water, low pressure steam, compressed air, LP gas, natural gas and aggressive water applications. Please refer to NIBCO technical data sheet, valve selection guides and catalog for engineering and installation information. Choose NIBCO® ball valves for the most
