Testing Information

Test data and other relevant information evaluated for compliance with 16 CFR 1303 by Rust-Oleum Corporation.

Rust-Oleum Corporation is a longstanding provider of quality products that meet or exceed regulatory requirements with respect to consumer product safety. Rust-Oleum Corporation has engaged in a testing program to document conformity with all applicable regulations, bans, standards and other requirements administered by the Consumer Product Safety Commission (CPSC). Information on our conformity assessment efforts, along with all General Conformity Certificates, is available at Customer Service: 1-847-367-7700.

Third-Party Laboratory Information
