PRESCO QUICK TIP

Barricade Tape is often sold in cases. Below are the standard quantities packaged per case:

3" x 300' = 16 rolls/case

3" x 1,000' = 8 rolls/case

Packaging can be altered for your custom needs.

Manufactured for durability and resistance to the elements, Presco Barricade Tape is recognized worldwide as the preferred co-extruded polyethylene tape for marking danger areas and special instructions. Among its many satisfied customers are professionals in the fields of law enforcement, safety, construction, painting, mining, hardware and utilities.

- Economical, disposable marking solution
- Variety of Mil thicknesses available for different project needs
- Private labeling, UPC coding, and other custom packaging requirements available

Presco Custom Prints Barricade Tape – from 1 to 4 Colors

Presco has hundreds of mats with various standard legends available to our customers (visit www.presco.com for a current listing of mat legends). Upon request, custom mats can be produced for your specific needs. Custom mat charge will apply. Presco's proprietary printing process requires controlled parameters. Custom ink color matches and double-sided printing are also available. Please ask a Presco representative for details before placing your order.

Presco Barricade Tape exceeds all industry specs, including:

- Occupational Safety and Health Administration (OSHA): Regulation 1910-144(a) Safety Color Code for Marking Physical Hazards
- Occupational Safety and Health Administration (OSHA): Regulation 1926-956(c)(1) covering trenching and excavating
