

Toilet Augers

With Heavy Duty Cable

The RIDGID® toilet augers are the professional's choice for quickly opening clogged toilets. They are suitable for both standard and water conserving toilets and are available in 3' and 6' lengths, each provides you with:

- Strong tri-wrap cable with three separate wrappings around the central core to power through and clear tough blockages.
- Vinyl guard to protect toilet bowl.
- Corrosion resistant tube.

K-3 - 3' Toilet Auger

3' of cable completely reaches through the toilet.

K-6 - 6' Toilet Auger

A quick lock adjustment extends the cable reach to 6', clearing beyond the toilet.
