## Hendrik Collection Mini Pendant 1 Light OZ 1687OZ (Olde Bronze)

**Product Description:** This 1-light mini-pendant the Hendrik Collection is a gorgeous fixture that honor the man who was regarded by many as the "Father of Modern architecture". Much like Berlage himself, it is an intermediary between modern and traditional styles. Classic lines are enhanced with a soft touch of current style cues to work in a number of aesthetic environments. The warm hue of our Olde Bronze finish is partnered with light umber etched glass for a fantastic balance of natural color.
