

Product Bulletin for USB Charger/Tamper-Resistant Receptacles

Leviton's USB Charger/Tamper-Resistant Receptacles Deliver More Charging Power in Less Time!

Leviton's USB Charger/Tamper-Resistant Receptacles offer 2.1A of charging power with a 15A/125V or 20A/125V Tamper-Resistant Receptacle. These state-of-the-art devices have the ability to charge up to two electronic devices simultaneously utilizing the USB Ports, leaving the receptacle free for additional power needs. The USB Ports are 2.0 and are controlled by a smart chip which recognizes and optimizes the charging power of your device. This means you can spend less time charging your device and more time enjoying it! Leviton's USB Charger/Tamper-Resistant Receptacle is ideal for charging tablets*, smart and mobile phones, e-readers and much more.

Strategically designed with two vertical USB Ports, the Leviton USB Charger/Tamper-Resistant Receptacles allow additional space for maneuvering of charging cords, reduces stress on the cables while charging and provides an aesthetically pleasing design. Our devices are engineered to fit in a standard wallbox, use a standard wallplate and can be multi-ganged with another Leviton USB Charger/Tamper-Resistant Receptacle or any standard Leviton wiring device. The value-added features of Leviton's Tamper-Resistant Receptacle provides the safe and superior device you have come to expect from an industry leader like Leviton!

Compatibility

The Leviton USB Charger/Tamper-Resistant Receptacle is compatible with a wide range of electronic devices including, but not limited to, the following:

- iPad®
- iPad® Mini
- iPhone®
- iPod®
- Tablets
- Mobile Phones
- BlackBerry®, Android Phones
- Windows® Phone by HTC
- Galaxy Tab™
- Nintendo 3DS™
- PlayStation® Vita
- Bluetooth™ Headsets
- Digital Cameras
- Kindle™, Nook e-readers
- GPS
- Much More

USB Ports are not intended to charge two **tablets simultaneously.*

If the devices combined power requirements exceed the power capacity of the USB Ports, the charger will automatically shut down to protect your devices. To charge two tablets use the high power USB Port and the Tamper-Resistant Receptacle.
