Meter Work

We are having difficulty reading and/or repairing your water meter.

It is your responsibility to keep your meter accessible. We require a minimum clearance of one foot around and four feet above your meter box. Please complete the work checked in the box(es) below:

- ☐ Trim landscaping plants
- ☐ Remove material on meter box
- ☐ Provide access path

Complete work by: _____

If work is not completed by above date, District personnel will complete the necessary work for you.
