

5500 TOWEL SHELF WITH BAR

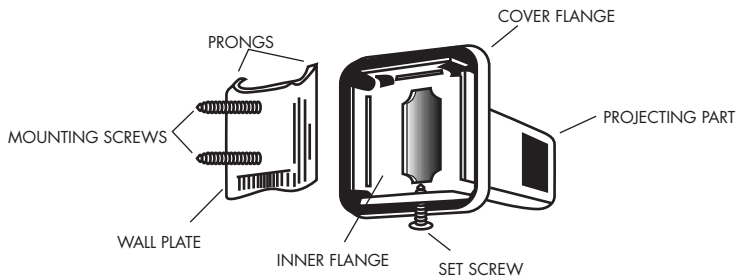

Towel Shelf with Bar

5552 - 18" Length

5557 - 24" Length

Concealed Mounting System

INSTALLATION INSTRUCTIONS

1. Mount wall plates onto wall in vertical position with both arrows on wall plate pointed up as shown. (Use center to center distances). Mounting screws are included.

Center to Center Distances

2. 5552 - 18" towel shelf with bar 17 1/2" center to center.
5557 - 24" towel shelf with bar 23 1/2" center to center.
3. Mount the pre-assembled shelf unit onto the wall plates by angling shelf downward onto wall plate prongs. Fasten with Phillips head set screws through the cover flange into the wall plate. Tighten set screws until shelf unit is securely fastened to wall.
