

INTEGRATED DRAWER FRONT

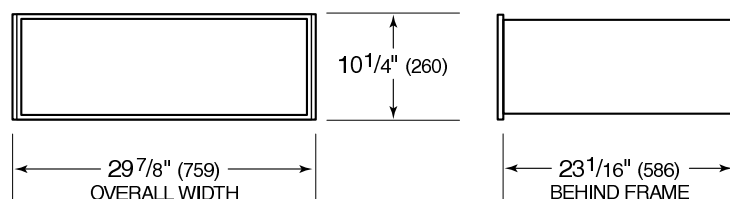

- ▶ The Wolf 30" (762) warming drawer is shipped without any decorative drawer front. You must order the integrated front (no handle) for a custom wood application.
- ▶ Please follow the dimensions shown in the Pre-Installation Dimensions illustrations. Dimensions shown in the illustrations are for the integrated drawer front application.
- ▶ A minimum 33" (838) wide by 26" (660) deep cabinet is required for the warming drawer with integrated drawer front.
- ▶ The bottom cabinet support must be able to support 175 lbs (79 kg).
- ▶ An anti-tip block must be installed to prevent the unit from tipping forward when the drawer is opened.
- ▶ Refer to the Wolf Design Guide pdf file for detailed specifications.

SPECIFICATIONS

Overall Drawer Width	29 ⁷ / ₈ " (759)
Overall Drawer Height	10 ¹ / ₄ " (260)
