Drop-in, 1000555-7, required, included  
1000556-7, not required, included  
1000557-7, not required, included

### Notes

Measure your actual product for rough-in details.

Install this product according to the installation instructions.

The hot water supply should be 70% of the capacity of the bath or greater. Installations will vary.

Consult local and national codes for minimum air gap requirements when installing a spout on the faucet deck other than that supplied.
