CERTIFICATION

WALLTIES

This is to certify that Wallties supplied by Freeport Steel Company conform to standard specification ASTM-653, which covers all galvanized steel products.

The corrugated Wallties are stamped in 28 gauge, 26 gauge and 22 gauge, all being 7/8" x 7" (+/- 1/8 width, +0-3/16 length).

All Wallties are manufactured in Pittsburgh, PA. All steel is American made from major domestic Steel Mills.
