## Material Number NL3ZN06, T-276-AP - Globe Valve - Bronze, Stainless Steel Full Plug Disc

The NIBCO® bronze globe valve features a union bonnet with replaceable seat and renewable full plug disc. It is equipped with female threads ends for ease of installation. This valve is ideal for higher pressure steam and the full plug disc allows for closer throttling of flow. Please refer to NIBCO technical data sheets, chemical resistance guides and catalogs for engineering and installation information. Choose NIBCO® globe valves for the most specified, versatile and economical valve option
