Dishwasher Installation

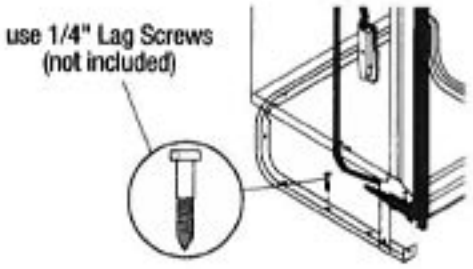

Frigidaire

The following dimension and cutout information is for planning purposes only. For complete installation details consult manual packed with product, or download manual at Customer Service, online at frigidaire.com.

18" Dishwashers

Floor Anchoring

When a *new layer* of flooring is applied, reduced installation height can occur. To reduce a Frigidaire dishwasher to a 33-1/2" installation height, remove the countertop anchoring clips from the dishwasher frame and mount to the floor with 1/4" lag screws (not included) through the holes provided in the dishwasher frame. Use expansion fasteners if floor is concrete (see illustration).
