

model 3511

Barrier-Free Aluminum Pedestal Fountain

FEATURES & BENEFITS

CONSTRUCTION

Heavy-duty cast aluminum construction supports this elegant old-charm fountain, and it is finished with midnight black powder-coat paint.

BARRIER-FREE

Barrier-free capabilities combined with its ease of use allows for a number of installation location possibilities.

BUBBLER HEAD

Polished chrome-plated brass bubbler head with integral laminar flow prevents splashing while providing a superior flow pattern. The integral basin shank and inserted roll pin add vandal resistance strength. Shielded, angled stream opening provides a steady, sanitary source of drinking water at .45 gpm.

PUSH BUTTON VALVE

The push-button activated valve assembly allows for front access stream adjustment as well as cartridge and strainer access. The valve works at an operating pressure range of 30 to 90 psi (2.1 to 6.2 bar).

SPECIFICATIONS

Model 3511 "Hi-Lo" barrier-free antique style pedestal drinking fountain shall include a heavy duty cast aluminum pedestal with a black powder-coated finish, dual 18 gauge Type 304 Stainless Steel satin finish basins with integral swirl design, 100% lead-free waterways, push-button operated stainless steel valves with front-accessible cartridge and flow adjustment, polished chrome-plated brass vandal-resistant bubbler heads, chrome-plated brass vandal-resistant waste strainer, integral mounting plate, and 1-1/2" O.D. tailpiece.

APPLICATIONS

Indoor or outdoor architectural settings where an "old town" ambiance is present, the 3511 fits perfectly. Historic styled fountain with "up to date" components that provide performance really bring a traditional feel to any area that is historically designed. Powder-coated finish helps maintain the fountains overall appeal so it remains looking as it did when it was newly installed. This type of pedestal drinking fountain may also be placed in a variety of settings such as: parks, schools, and other outdoor environments where the temperature remains above freezing. Model meets all current Federal Regulations for the disabled including those in the Americans with Disabilities Act. Haws manufactures drinking fountains and electric water coolers to be lead-free by all known definitions including NSF/ANSI Standard 61, Section 9, NSF/ANSI 372, California Proposition 65, and the Federal Safe Drinking Water Act. Product is compliant to California Health and Safety Code 116875 (AB 1953-2006).

OPTIONS

- ❑ Sand Trap: Model 6635, in-pedestal sand trap for models 3500, 3511 and 3600 series fountains.
- ❑ Faucet Valve: Model 6250LF, self-closing, plain end, lead-free, brass bib faucet with polished chrome-plated finish. (When used with Haws concrete products, also order part 0004499489; for 3511, use 0004521763)
- ❑ Sand Trap: Model 6611, sand trap for installing adjacent to pedestal drinking fountains to help prevent debris and contaminants from clogging waste line.
