

Raptor's Performance Plus Utility Glove. All-purpose and abrasion-resistant. Form-fit, washable and durable. The ideal performance work glove.

- 1 Supportive Neoprene cuff with adjustable Velcro closure
- 2 Gusset on cuff locks out dirt and debris
- 3 Directional stretch nylon top of hand wicks away heat and moisture
- 4 Padded Neoprene knuckle protects against nicks and scrapes
- 5 Terry cloth thumb to wipe away sweat and debris
- 6 Reinforced synthetic suede fingertip reinforcement adds protection
- 7 Durable synthetic leather base layer does not shrink, stretch or harden
- 8 Non-slip palm and finger reinforcement provides extra grip and increases durability
- 9 Double stitched bonded nylon thread secures reinforcement in place
- 10 Non-slip saddle extends durability and grip in critical wear areas
