T754 W/T

Product: Tumble dryer
Mode of installation: Stacked or side by side
Capacity: 3.9 cu.ft.
Number of programs: 6

Options
Anti crease
Time saver
Low temperature
Delayed Start: 1-24 hours

Construction
Butterfly drying system
Long lasting stainless steel drum
Triple ball bearings
Durable brushless induction motor

Comfort & safety
SensiDry™ - stops when load is dry
KidSafe™
Double Easy Clean lint filter
Remaining time display
Program end indicator

Dimensions and installation
Height: 33 3/8 (848 mm)
Width: 23 1/2 (597 mm)
Depth: 23 7/8 (606 mm)
Length electrical cord: 82 11/16 (2100 mm)
Weight net: 88 lbs
Weight gross: 93 lbs

Technical information
Connection rating: 3300 W
Current: 14 A
Drum volume: 112 l
Display type: LCD display

Consumption
Noise level: 67 dB(A)re 1 pW
